Round Table Discussion
Tuesday, November 12, 2013
6 PM Room 132 Fluor Building

ROUND TABLE DISCUSSION W/ PROFESSIONALS IN THE INDUSTRY: Join us for a very unique opportunity to sit down and hear from professionals in many various fields. This is a great opportunity to hear first-hand what it's like to be an engineer, architect, contractor, etc. This will be an open forum and questions are encouraged!

Round Table Attendees:

- Grant Wiegmann: Sales Engineer
- Devon Cortright: Mechanical Design Engineer
- Daniel Lowe: Commissioning Consultant
- Carroll Suttles: Utilities Account Service Rep
- Mike Coleman: Architect
- Other Industry Professionals likely to be in attendance

Food will be served!
